

ACE OF CLUBS RACE

Those players are listed who rank in the top 10 from Unit 154 with the most points earned in club games, excluding STaC points. This ranking is current as of the end of August — in the first 2/3 of 2017. The green numbers after names indicate the person's position in the top 25 in District 8. And there are also 9 (count them) players who rank in the top 100 in all of ACBL! You've got to know that we have some outstanding bridge experts in our midst. We have the 1st place placement in 9 of the 12 categories listed below. Imagine that! Congratulations to all 50 of you!

Sarah Nicewander passed away on July 31 in Tucson, where she made her permanent home for the past 5 years rather than just her winter home. She was a regular at our games until then. She was a Ruby Life Master (1500+ mp). We will remember Sarah with fondness for the happiness she brought to us.
